<chorus> One day soon

The biggest power in the world is love
give it freely. (give it freely)

Don't isolate, don't give in to the hate
you gotta let it go. Oh oh oh.

Come to- gether as one, a union divine
trust your intuition
this is an important mission.

<chorus> One day soon

The biggest power in the world is truth
share it freely. (share it freely)

Do not comply, always ask yourself why
you gotta make it so. Oh oh oh.

There is no doubt, the truth will come out
trust your intuition
this is an important mission.

<chorus>

*One day soon, the sun and the moon
will rule in harmony
and humanity will be free. (bis)*
